

COMMUNICATION WITH PUBLIC

1. The chairperson shall be the spokesperson for the board. The chairperson and the superintendent shall handle communications with media, administrators, and the public on board issues.
2. The board may direct the chairperson or an administrator to draft a written communication by motion. All members of the board and administration shall receive a copy of stated letter.
3. Questions or need for further information related to agenda items should be communicated to the chairperson prior to that board meeting.
